Coquitlam Crane Training Schools

Coquitlam Crane Training Schools - Our different programs for Mobile Crane Operation are intended for skilled operators who needs re-certification or certification, and for inexperienced individuals who are looking for their first work as an operator of a crane. Industry demand for crane operators who are certified is high all over the nation. Crane operator positions are high because of their high rates of pay. Operators of cranes are among the highest paid of whichever operator of heavy machinery.

Our Crane Training Schools feature training and instruction for different mobile cranes. Course subject consists of Wire Rope, Crane Set-up, Load Dynamics, Lift Planning, Rigging, Signaling and Load Charts.

The program is best for crane riggers, operators as well as their supervisors. The materials included in the course will consist of a manual and lots of informative handouts. The safety manual that is illustrated features one hundred to two hundred fifty pages, depending on the course, of helpful and important material. Course materials include load charts and load chart exercises for the crane with which the individual training is working.

Hands-On Safety Training would take up over half of the course curriculum. The practical training part is the most useful method to improving and developing personal skill levels. Only licensed journeyman crane instructors are chosen to teach the courses. Our instructors have numerous years of experience in the industry.

For all the course we offer, we could include optional testing mechanisms to customize your training. A test for skills is normally administered for programs which consist of H.O.S.T. Trainees would be graded and tested.
