## Nissan Forklift

Nissan Motor Co. Ltd prides itself on attaining complete consumer fulfillment when enjoying one of their car, truck or forklift products. They are fully committed to delivering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with resilient manufacturing principals, Nissan lift trucks offer many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide desires of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four independent production facilities that permit them to continually adapt to their clients continually evolving needs by offering a variety of progressive ideas and concepts.

The Nissan Lift truck North and South American center is situated in Marengo, Illinois. A devoted team of 350 personnel is committed to the support, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, allows each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing systems that reduce the global impact of their products and processes. These high standards remind customers that Nissan operates under the quality seal that their clients command while being an environmentally aware company.

Nissan is fairly confident that any of their consumers inquiries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
